## CeDe Off-road 4.7T Container handler

Basic chassi Volvo L45

### CeDe Off-road Forklift

Is optimized for handling containers in rough terrain and has good passability due to four-wheel drive, differential locks and articulation.

The forklift is designed initially for defence work task but is also perfect in civil duties.

A number of the Off-road Forklift were delivered this summer.

### CeDe Off-road Forklift 4.7T

Handling of 20 ft containers  
Lifting capacity @ reach from forklift base  
4700 kg @ 1420 mm

Other products

Vinkelgatan 15 SE-211 24 MALMÖ +46 40 38 32 00
